REMARKS

Claims 1-17 are presently being examined.

In the telephone conferences with Examiner Lin, the Examiner stated that a Statement of common ownership was required to overcome a provisional rejection under 35 U.S.C. §103(c). Applicants agreed to submit such a Statement after confirming the facts underlying the Statement.

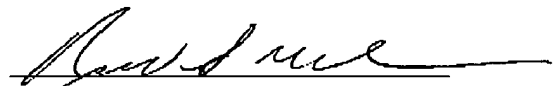

Accordingly, applicants now attach a Statement Concerning Common Ownership stating that U.S. Patent Application No. 10/574,414 was commonly owned with the subject application at the time the invention of claims 1-17 was made.

In view of the submission of the Statement, applicants respectfully submit that this application now is in condition for allowance, and earnestly solicit a Notice Of Allowance.

If a telephone conference would be of assistance in advancing prosecution of the subject application, applicants' undersigned attorney invites the Examiner to telephone at the number provided.

No fee is deemed necessary in connection with this Statement. However, if any such fee is required, authorization is hereby given to charge the amount of such fee to Deposit Account No. 03-3125.

Respectfully submitted,
